Gentlemen:

SUBJECT: ACCEPTANCE OF CHANGES TO THE QUALITY ASSURANCE MANUAL OPERATIONS
FOR ARKANSAS NUCLEAR ONE, UNITS 1 AND 2

We have reviewed the changes addressed in Revision 10 of the Quality Assurance (QA) program description for Arkansas Nuclear One, Units 1 and 2, submitted by your letter OCAN098809 dated September 9, 1988. We find that Sections 1.6.1 for Unit 1 and 17.1 for Unit 2 of the Safety Analysis Report (SAR) continue to meet the requirements of 10 CFR 50, Appendix B and therefore, the changes are acceptable. If there are changes to QA commitments existing in docketed correspondence outside of the SAR QA program description, you are obligated to notify this office.

Any questions you may have concerning this review should be directed to Mr. Ian Barnes of our staff on (817) 860-8176.

Sincerely,

Original Signed By
A. B. Beach

~~L. J. Callan~~, Director
Division of Reactor Projects
