ADJUTANT GENERAL

Despite its unusual format, this is a
comment on the proposed revision to Part 35,
so I'm forwarding it to you.

HELLO FROM LONG BEACH ISLAND, N.J.

The lighthouse is located at the north end of the island.
The locale is a popular fishing, boating, and bathing area.

My dear Hon. Ms. Dicus:

It is urgent that
endocrinologists continue
to be allowed to administer
L-131 in their offices. There
are safety & cost reasons.

Personally, having thyroid
disease, I can vouch
for the anxiety, fear &
emotional added trauma
of being treated in a
hospital. Please
consider these effects.

Sincerely,

Helene Krupansky
