UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555

January 6, 1981

OFFICE OF THE
EXECUTIVE LEGAL
DIRECTOR

SECT 21-12

Note to: William J. Dircks

From: Howard K. Shapar

The two changes we discussed in our conversation yesterday have been made to the Commission paper concerning the Sholly case. First, the paper now requests Commission review rather than approval of the proposed final rule, since the Court's mandate has not yet issued. Second, the paper notes that OELD and OGC will explore the feasibility of having administrative law judges preside at hearings. Both these changes were discussed with Len Bickwit.
