Gentlemen:

Thank you for your letter of May 20, 1988, in response to our letter and Notice of Violation dated April 22, 1988. We have reviewed your reply and find it responsive to the concerns raised in our Notice of Violation. We will review the implementation of your corrective actions during a future inspection to determine that full compliance has been achieved and will be maintained. This review will include assessment of the criteria contained in your new Condition Reporting System procedure for assuring timely evaluation of potentially reportable 10 CFR Part 21 items.

Sincerely,

Original Signed By
