Re: Jersey Central Power & Light Company
Oyster Creek Nuclear Station

Dear Nancy,

Enclosed is the following material for Oyster Creek's nuclear liability program.

1. Endorsement Nos. 129 and 106 under the Facility Form policies. These endorsements add GPU Nuclear Corporation as a named insured.
2. Revised pages numbered 2 under the Worker Certificate Nos. NW-78 and MW-18. These amend the facility operator, under each Item 3, to read "GPU Nuclear Corporation."

I have sent the NRC certified copies, with a copy of this letter, directly to them. Please contact me with any questions.

Regards,
