REQUESTER

George E. Johnson, Esquire

PART I - RECORDS RELEASED OR NOT LOCATED (See checked boxes)

No agency records subject to the request have been located.

No additional agency records subject to the request have been located.

Agency records subject to the request that are identified in Appendix F are already available for public inspection and copying in the NRC Public Document Room, 1717 H Street, N.W., Washington, DC.

Agency records subject to the request that are identified in Appendix G\* are being made available for public inspection and copying in the NRC Public Document Room, 1717 H Street, N.W., Washington, DC, in a folder under this FOIA number and requester name.

The nonproprietary version of the proposal(s) that you agreed to accept in a telephone conversation with a member of my staff is now being made available for public inspection and copying at the NRC Public Document Room, 1717 H Street, N.W., Washington, DC, in a folder under this FOIA number and requester name.

Enclosed is information on how you may obtain access to and the charges for copying records placed in the NRC Public Document Room, 1717 H Street, N.W., Washington, DC.

Agency records subject to the request are enclosed. Any applicable charge for copies of the records provided and payment procedures are noted in the comments section.

Records subject to the request have been referred to another Federal agency(ies) for review and direct response to you.

In view of NRC's response to this request, no further action is being taken on appeal letter dated \_\_\_\_\_.

PART II A - INFORMATION WITHHELD FROM PUBLIC DISCLOSURE

Certain information in the requested records is being withheld from public disclosure pursuant to the FOIA exemptions described in and for the reasons stated in Part II, sections B, C, and D. Any released portions of the documents for which only part of the record is being withheld are being made available for public inspection and copying in the NRC Public Document Room, 1717 H Street, N.W., Washington, DC, in a folder under this FOIA number and requester name.

Comments

\*Copies of Appendix G Records are also being placed at the Local Public Document Room maintained in the Plymouth Public Library, 11 North Street, Plymouth, MA.

\*The Office of Enforcement has located 16 enforcement related records which were originated by Region I. After consultation and review by Region I of these records, it is uncertain as to whether they fall within the scope of your request. Based on this uncertainty, please notify Nina Toms as to whether or not you are interested in having these records identified to you in a later response. The records consist of predecisional proposed enforcement actions, draft inspection reports, and notices of violations. If you do not notify Ms. Toms within 20 days of the date of this response, we will assume that you have no further interest in these 16 records.

In re: Freedom of Information Act Request  
No. 88-\_\_\_, Concerning Pilgrim Nuclear Power  
Station

Dear Sir:

In accordance with the provisions of the Freedom of Information Act, 5 U.S.C. §552 and Part 9, Subpart A of 10 C.F.R., it is requested that the records identified below be made available for inspection and copying:

1. Records of any votes taken by the Commission, and records or transcripts of Commission meetings, with respect to the shutdown of the Pilgrim Nuclear Power Station, or the restart thereof, on or after April 12, 1986.
2. All SECY papers, attachments thereto, records and other materials supporting or forming the basis for positions taken therein on the subject of the Pilgrim Nuclear Power Station, prepared on or after January 1, 1980.
3. All records prepared or dated on or after January 1, 1980 (but excluding documents included on Docket No. 50-293 accession listings available from the Public Document Room) of NRC Region I, the Office of the Executive Director for Operations, the Office of Inspection and Enforcement, the Office of Investigations, the Office of Nuclear Reactor Regulation, the Office of Nuclear Materials Safety and Safeguards, the Advisory Committee for Reactor Safeguards, the Office for Evaluation of Operational Data, and the NRC Emergency Operations Center which discuss, refer to, take positions on, or form the basis for decisions concerning, the performance of the Pilgrim Nuclear Power Station in the following areas:

~~8808230107~~ 3pp.

- A. Management
  - B. Staffing
  - C. Organization and Organization Structure
  - D. Radiation Protection
  - E. Quality Assurance
  - F. Surveillance
  - G. Maintenance
  - H. Offsite Emergency Planning
  - I. Fire Protection
  - J. Security
  - K. Management Response to NRC Regulatory Activities
4. All records of Region I, the Office of Nuclear Regulation, the Commission, the Office of Inspection and Enforcement, or other Staff or Commission offices relating to, discussing or forming the basis or support for, the Director's Decision (DD-87-14) dated August 21, 1987.
  5. All records (other than those categories of documents excluded from Item 3) of any office referred to in Item 4, above, discussing, describing, assessing, evaluating, or otherwise relating to actions by the NRC staff, FEMA, the ACRS, or other NRC or Commission offices, to follow-up or monitor actions by Boston Edison Company, the Commonwealth of Massachusetts, other jurisdictions within the 10-mile emergency planning zone for Pilgrim Nuclear Power Station, to address issues raised in the Director's Decision (DD-87-14) dated August 21, 1987.
  6. All records of the NRC offices referred to in Item 4 discussing, describing, assessing or evaluating, or otherwise relating to actions of the NRC staff to evaluate the July 1987 Restart Plan, and other actions by Boston Edison Company, its agents or contractors, relating to the restart of the Pilgrim Nuclear Power Station.
  7. All records of communications (whether written or oral and occurring from April 12, 1986 to the present) between any office of the NRC Staff, or of the Commission or offices reporting directly to it, and Boston Edison Company, concerning the status or startup of the Pilgrim Nuclear Power Station.
  8. All records of communications (whether written or oral, and occurring from April 12, 1986 to the present) between any office of the NRC Staff or of the Commission or offices reporting directly to it, and FEMA, other Federal or State agencies or governmental entities, or persons concerning the status, startup, or issues relating to startup, of the Pilgrim Nuclear Power Station.

9. All records in the possession of any NRC Staff or Commission office pertaining to (a) the evaluation by FEMA, NRC, or any other entity or agency, of the adequacy of offsite emergency plans for the Pilgrim Nuclear Power Station, and (b) the conduct and/or evaluation of drills, full scale/full participation or partial scale/partial participation exercises conducted or planned for the Pilgrim Nuclear Power Station.

For purposes of this request, "record" or "document" is defined to include, but not be limited to, notes, memoranda, reports, meeting minutes, logs, transcripts, letters, position or policy papers, interpretations of requirements, and guidance documents, and refers to drafts as well as any final version of any record or document requested.

Sincerely,

  
George E. Johnson, Esq.
