ACT REQUEST

FOIA-88-450  
Rec'd 8-31-88

To Whom It May Concern:

Under the provisions of the federal Freedom of Information Act I am requesting a copy of results of inspections of the low-level nuclear reactor at the Massachusetts Institute of Technology in Cambridge, Massachusetts during the period from January 1, 1985 to the present. In addition, please include any recent reports on any other testing of radioactive materials at M.I.T. during the same period.

If there are any fees in excess of \$25.00 for searching for or copying the records I have requested, please inform me before you fill the request. Please supply the records without informing me if the fees do not exceed \$25.00.

If all or any part of this request is denied, please cite the specific exemptions which you think justifies your refusal to release the information, and inform me of the appeal procedure available to me under the law.

I would appreciate your handling this request as quickly as possible, and I look forward to hearing from you within 10 days as the law stipulates.

Sincerely,

Catherine Walthers
