Dear Dr. Myers:

In accordance with your verbal request, we are enclosing a copy of an OIA Report of Investigations entitled "Diablo Canyon - 2.206 Petition," and an August 1, 1984 memorandum with the same subject.

As you are aware, these documents have not been released to the public. We, therefore, request that you restrict their use to Committee Staff. Please note that the OIA report is being reviewed to determine what portions should be released to the public. We will inform you of the results of that review.
