FREEDOM OF INFORMATION
ACT REQUEST

FOIA-88-427

Rec'd 8-16-88

Director
Division of Rules and Records
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Sir:

Pursuant to the Freedom of Information Act, I would like to receive the information as listed below. Please let me know the cost associated with this request.

1. "Plant Design Assessment Report for SRV and LOCA Loads," Rev. 1, submitted for WPPSS-2 by D. L. Renberger to S. A. Varga under letter dated February 2, 1978 (GO2-78-45)

(NOTE: A similar letter of the same date (GO2-78-46) transmitted proprietary Appendices B, C, and E of the report.)

2. "Plant Design Assessment Report for SRV and LOCA Loads," Rev. 3, referenced on page 3-1 of NUREG-0892, Safety Evaluation Report, Supplement 5, April 1984.

(NOTE: Although SSER No. 5 references the DAR, Rev. 3, as containing the bases of its evaluation, the current FSAR in the NRC PDR continues to reference Rev. 2--see FSAR Appendix G.)

Thank you.

Sincerely,

Lynn Connor
