Angelo Giambusso
Director, Division of Reactor Licensing
United States Nuclear Regulatory Commission
Washington, D. C. 20545

Dear Sir:

Enclosed are two copies of our revised security plan and replacement pages for Appendix A. This revision is necessary for the following reasons:

1. To correct prior errors
2. To add updated information
3. To comply with our response to the security violation cited to us on May 20, 1975 by Mr. Doug Schuster
4. To comply with the annual security plan evaluation and to improve security

Handwritten notes:
see serial 6/20/75
for details of response
Mr. Schuster

The revised security plan is intended to replace the original text of the security plan dated August 21, 1974 and to replace the letters of correction and additions dated August 29, October 28, and November 27, 1974.

We request verification and approval of our security system.

Sincerely,

Handwritten signature: Thomas E. Hicks
