Dear Mr. Guild:

On May 13, 1986, I notified you that the documents subject to the Licensing Board's Order to Compel were available for review at the Chicago Office of Isham, Lincoln & Beale. Attached to the May 13, 1986 letter were four lists to aid you in your review of the documents. Due to an error on our part some of the documents made available contained irrelevant material. That material has now been redacted. Therefore, certain revisions need to be made on those lists. First, some pages of documents which became irrelevant after the Commission decision on April 24 were listed as being available. As stated in my May 13, 1986 letter such documents are not in fact being made available. The following list indicates those portions of documents which were incorrectly identified as being available.
