Docket No. 50-346

JUN 14 1988

Toledo Edison Company
ATTN: Mr. Donald Shelton
Vice President Nuclear
Edison Plaza
300 Madison Avenue
Toledo, OH 43652

Gentlemen:

The NRC recently received several allegations concerning activities at the Davis-Besse Nuclear Power Plant. Details of these allegations are provided for your review and followup.

The NRC requests that results of your reviews and dispositions of these matters be submitted to Region III within 30 days of the date of this letter.

The enclosure to this letter is considered exempt from disclosure according to section 2.790 of the NRC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, and will not be placed in the NRC Public Document Room. Therefore, the results of your review and the dispositions of these matters should provide an equivalent degree of protection.

Your cooperation with us is appreciated. We will gladly discuss any questions you have concerning this information.

Sincerely,
