Dear Mr. Daneshvar,

Could you please reply back to this email to confirm receipt?

This is in reference to your letter dated April 17, 2020, requesting to amend NRC License No. 08-11182-01. In order to continue our review, please provide the following additional information:

1. Please specify the uses requested for the proposed Authorized User. For example, please list 10 CFR 35.100 and/or 10 CFR 35.200 for the uses requested.
2. Please provide an email address and phone number for Ms. Marcela Maamari.
3. The license amendment will be issued electronically. Please provide the names and email addresses of those to be included on the distribution.

We will continue our review upon receipt of this information. Please reply to my attention via email. In order to continue prompt review of your application, we request that you submit your response within 30 calendar days from the date of this email.

An electronic version of the NRC's regulations is available on the NRC Web Site at: www.nrc.gov. Additional information regarding medical uses of radioactive materials may be obtained on the NRC Web Site at: <http://www.nrc.gov/materials/miau/med-use-toolkit.html>. This site also provides the updated Training and Experience NRC Form 313A series of forms and guidance, as well as information on the revised regulations for naturally-occurring and accelerator-produced radioactive materials (NARM).

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this email will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web Site at: <http://www.nrc.gov/reading-rm/adams.html>. Please be aware that you may request that certain portions of your submittal to NRC be withheld from public disclosure as proprietary information. To do this, you must execute an affidavit as specified in 10 CFR 2.390. You must list all portions that you wish to be held proprietary, along with your reasoning as to why that is appropriate. While it is allowable, please refrain from submitting proprietary information in support of a license unless necessary.

If you have any questions regarding this request for additional information, please contact Elizabeth Engelmann at 610-337-5115 or via electronic mail at Elizabeth.Engelmann@nrc.gov.

Thank you for your cooperation.
