Dear Mr. Oehlbert:

Enclosed is an application (XSNM3814), dated May 28, 2020, received by the U.S. Nuclear Regulatory Commission, from TN Americas LLC. The application requests the export of low-enriched uranium in the form of metal fragments to Belgium for medical isotope production at the Institute for Radioelements (IRE).

Assurances from EURATOM that the material will be subject to all the terms and conditions of an agreement for cooperation are required. Your assistance in obtaining the necessary assurances will be appreciated.

Sincerely,

6/11/2020

X Peter J. Habighorst
