

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

July 20, 2020

MEMORANDUM TO: Russell Felts, Director (Acting)  
Division of Physical Security and Cyber Security Policy  
Office of Nuclear Security and Incident Response

FROM: Michael C. Cheok, Director */RA/*  
Division of Risk Analysis  
Office of Nuclear Regulatory Research

SUBJECT: NSIR-2020-002, RESEARCH ASSISTANCE REQUEST FOR A  
DRUG- AND ALCOHOL-RELATED FITNESS-FOR-DUTY  
PROJECT

This memorandum acknowledges the acceptance by the Office of Nuclear Regulatory Research of the Research Assistance Request from the Office of Nuclear Security and Incident Response for a drug- and alcohol-related fitness-for-duty (FFD) project that will enhance the Nuclear Regulatory Commission's regulatory understanding of drug and alcohol testing in the international community (ML20069D003). This RAR has been assigned tracking number NSIR-2020-002.

We look forward to working with you in accomplishing this endeavor.
