Hi Shirley,

Thank you for the information. We had tried doing this previously, but it did not get processed. I really don't know why, but here is the email request to please update and change our company name to Lighting Technologies International, LLC. I have attached a copy of our business license as you have asked. Thank you so much for your help. If you need anything, please contact me.

Best Regards,

**Joe Rodriguez**

Mr. Rodriguez,

I was just told by our Fee Office that your company name, "Lighting Technologies International," on your Small Business" application does not match the name on your current license, "Phillips Lighting Technologies International." Therefore, they cannot approve your application.

Do you want to make a name change? If so, please submit a request by email, and attach a copy of your California license. We will process the change.

Best regards,

*Shirley Xu*
