Lance,

By letter dated March 31, 2020 ,(Agencywide Documents Access and Management System (ADAMS) Accession No. ML20091J376), you provided a report providing a cost estimate for re-baselining of the financial surety required in License Condition 25 of the license for the Church Rock Site.

The NRC staff has completed its acceptance review of this amendment request and after our Skype discussion of the calculation for the contingency amount, we have found the request acceptable for further detailed technical review, contingent upon receipt of the revised calculation of the Contingency Fee from GE.

1. The revision of the Surety amount, as discussed during the June 30, 2020 Skype Call, will be provided in a timely manner, within the next week to 10 days.
2. We anticipate no Requests for Additional Information.
