**SUBJECT: MNRC License (R-130) Renewal Application Package Docket Number 50-607**

Attached is the UC Davis McClellan Nuclear Research Center license renewal application. To the best of my knowledge the data and analyses provided in this license renewal application are accurate and truthful. The following eight documents are submitted electronically with this transmittal letter as part of the license renewal application. All files are in pdf format.

- 1) Environmental report for MNRC LRA publicly available
- 2) Financial statement for MNRC LRA publicly available
- 3) MNRC Proposed technical specifications publically available
- 4) **MNRC SAR contains SUNSI**
- 5) MNRC SAR Publicly Available\_Redacted
- 6) Training and Selection Plan for MNRC LRA publicly available
- 7) **UCD MNRC Emergency Plan contains SUNSI**
- 8) UCD MNRC Emergency Plan Publicly Available\_Redacted

Both the "MNRC SAR" and the "UCD MNRC Emergency Plan" contain SUNSI (Security-Related Information) and are requested to be withheld under 10 C.F.R. § 2.390. Appropriately redacted versions of both of these documents have been provided to be disclosed to the public. All other documents provided can be made publically available.

In accordance with 10 CFR Part 50.30(b), I declare under penalty of perjury that the foregoing is true and correct executed on July 6, 2020

A handwritten signature in black ink, appearing to read "Wesley Frey".
