Subject: Amending Radiation Safety Officer (RSO) name on USNRC Materials License 45-09428-02 (Docket No. 030-06585)

Dear Ladies and Gentlemen,

I am submitting the required license amendment paperwork necessary to request a change in the RSO name assigned on the current license no. 45-09428-02 (Docket No. 030-06585). Brittany A. Hurtado has resigned from Huntington Ingalls Incorporated and we are requesting that Adrian M. Jones be put on the license as the RSO. Mr. Jones has been on the license in the past seven (7) years.

Additionally, upon fulfilling this amendment, please change the mailing address of the RSO for the USNRC Materials License 45-09428-02 (Docket No. 030-06585) as follows:

Adrian M. Jones
Radiation Safety Officer
Newport News Shipbuilding
Department O39, Building 134-2
4101 Washington Avenue
Newport News, VA 23607-2770

If you have any questions, please contact me at (757) 688-9703

Sincerely,

Robb Schrock
Manager 3 Test Inspection, for Jared Smiddy (Acting Director of Quality)
