Dear Sir:

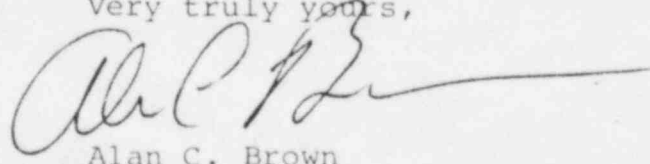

Pursuant to the Freedom of Information Act, 5 U.S.C. §552, and applicable agency regulations at 10 C.F.R. §9.3 et. seq., I hereby request that within ten days of receipt of this letter you provide me with copies of the following records:

All papers, notes, documents, manuals, pamphlets, texts, coursebooks, outlines, films, slides, transparencies, or other records utilized in connection with, or otherwise relating to, training programs or courses relating to radiation protection. This request includes, but is not limited to (a) records relating to programs or courses utilized by NRC regional offices for training and preparing inspectors for work at fuel cycle licensee facilities; (b) records relating to testing techniques; and (c) records relating to Regulatory Guide 8.27 (March 1981).

I agree to pay all reasonable charges for search and copying as prescribed by applicable agency regulations. If any material is deemed to be exempt, I request a specific description of the item or portion withheld or deleted, a full statement of the reasons why access is being denied, and specific citation of statutory authority for such denial.

Thank you for your cooperation.

Very truly yours,
