MEMORANDUM FOR: R. A. Scarano, Chief
Uranium Recovery Licensing Branch

FROM: L. S. Person
Uranium Recovery Licensing Branch

SUBJECT: MONTHLY PROGRESS REPORT FROM OAK RIDGE NATIONAL
LABORATORY ON PLATEAU RESOURCES LIMITED AND ENERGY
FUELS' URANIUM ORE BUYING STATIONS.

Total manpower cost for the above EIA's in the month of May, as reported by ORNL, seems reasonable (only a small amount of editing work was done). However, in order to make a better comparison of cost vs. work done, in the future ORNL should report unit cost.
