**Subject: EPRI TR-107620-R1, "Steam Generator In Situ Pressure Test
Guidelines: Revision 1," April 1999**

Dear Jack,

Attached is a copy of the letter, which transmitted a copy of the subject document to the Public Document Room.

This document has been sent to the NRC in fulfillment of a commitment made by the NEI Working Group in discussions with NRC Staff on NEI 97-06, Steam Generator Program Guidelines.

Sincerely,

David A. Steininger
Section Manager
