[REDACTED]

Dear Mr. Stites:

Reference: Allegation No. 4-86-A-096

This refers to the telephone conversation in which you expressed a technical concern related to the practices at South Texas Project.

The following information documents your technical concerns, as I understand them to be. You have brought concerns to HL&P regarding the [REDACTED] program and other matters. You were later told [REDACTED] approximately 12 months before. You stated you were directed to [REDACTED]. You indicated you were later suspended by HL&P and you believe this action has occurred because of your initial complaints to HL&P.

We have initiated actions to develop and examine the facts and circumstances of your concern; therefore, if this letter does not completely and accurately reflect all of your concerns, please call me collect as soon as possible at (817) 860-8100, so that we can assure your information is adequately addressed during our review. If you should call and I am not available, please leave a message and I will return your call. I also strongly suggest that you contact the Department of Labor, Wage and Hour Division, and advise them of your complaint.

In closing, let me assure you that every effort will be made to resolve these issues. The U.S. Nuclear Regulatory Commission is responsible for protecting the public in the uses of nuclear facilities and materials. We engage in major efforts on a daily basis to fulfill that responsibility. We appreciate conscientious citizens bringing legitimate concerns to our attention. Should you have additional questions, or if I can be of further assistance in this matter, you can call me at the above number during normal business hours.

Sincerely,

Mark Emerson  
Allegations Coordinator

MEMORANDUM FOR: Regional Administrator  
Region IV

FROM: Victor J. Stello  
Executive Director of Operations

SUBJECT: DELEGATION OF SUBPOENA AUTHORITY

Effective this date, I am re delegating to the Regional Administrator, Region IV, the authority given to the EDO on July 20, 1982, by the Commission to issue subpoenas during the course of investigations or inspections. This authority is automatically re delegated to whomever the Regional Administrator may designate as acting in his authorized absence. In the event the Regional Administrator or his designee wishes to exercise this authority, he must advise me of such intent, and the rationale thereof, through the Deputy Executive Director for Regional Operations, a minimum of three days in advance of use. DEDRO, in turn, will acquire OGC concurrence. Emergency situations demanding less notice will be dealt with as necessary.

Victor J. Stello  
Executive Director for Operations
