Subject: Seabrook Station Respiratory Protection Program

Dear Sir:

This letter is to inform you of our intention to implement the Seabrook Station Respiratory Protection Program under the provisions of the Code of Federal Regulations, Title 10, Part 20.103. The effective date of program implementation is scheduled to coincide with fuel loading activities, presently planned to commence on June 30, 1986.

This notification is made in order to comply with 10 CFR 20.103 (g).

Very truly yours,

George S. Thomas
