SUBJECT: CLOSURE OF INVESTIGATION (OI A4-1998-026)

Dear Mr. Eaton:

This letter is in reference to an investigation conducted by the NRC Office of Investigations (OI) regarding activities at Grand Gulf. The OI investigation was initiated to determine whether individuals who had attended General Employee Training had been directed not to contact the NRC under any circumstances.

The OI investigation did not substantiate that the statement was made based on interviews and reviews of documentation. The NRC plans no further action regarding this investigation and considers this case closed.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter will be placed in the NRC Public Document Room.

Sincerely,

Thomas P. Gwynn, Director
Division of Reactor Projects
