

~~CONFIDENTIAL NO.~~

AMERICAN LIGHT ALLOYS, INC.

1205 McBRIDE AVE.-TEL. LITTLE FALLS 4-1034-5 LITTLE FALLS, NEW JERSEY

Aluminum-Magnesium-Heat Treated Sand Castings

March 21, 1958

Atomic Energy Commission
Washington 25, D.C.

Attention Mr. Lyall Johnson, Chief
Licensing Branch
Division of Licensing and Regulation

Reference: Source Material License No. C-3134

Gentlemen:

The following action has been taken to comply with referenced license.

1. Personnel working with the material have been instructed in the handling of same.
2. A monthly check is maintained on all personnel as to the number of milliroentgens of exposure.
3. Radiation surveys have been made. However, "Air Sampling," has not been conducted due to the fact that we do not know of anyone who can conduct this type of test.

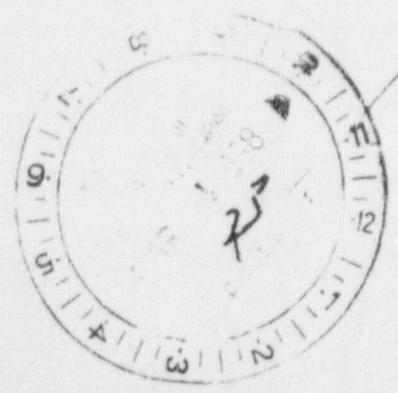

Could you give us the name of someone who performs Air Sampling.
