Subject: Request for amendment and renewal of Materials
License (No. 21-21181-01)

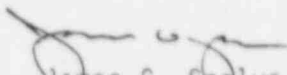

Dear Sir/Madam:

We want our license amended and renewed. We have obtained a Hewlett Packard gas chromatograph, Model 5710A, Serial No. H3132, with an electron capture detector containing < 15 millicuries of Ni63. This detector should be added to the license.

On the renewal application, all new information is typed in italics. If you need any additional information, please contact us at your convenience (phone: 517-734-4768).

Sincerely,

JGS:bb
