Gentlemen:

Your letter dated November 12, 1987, submitted Topical Report No. WCAP-11618 entitled "Methodically Engineered, Restructured and Improved Technical Specifications, MERITS Program - Phase II Task 5, Criteria Application" to the Office of Nuclear Reactor Regulation for review. Under the provisions of 10 CFR 170.21.J, requests for review of topical reports and revisions or amendments to accepted reports are to be accompanied by an application fee of \$150. Subsequently, companies are to be billed at six-month intervals or when the review is completed (Section 170.12(f)) for full costs up to \$20,000 for each topical report or revision to an accepted topical report. Your November 12 request was not accompanied by the required application fee of \$150. Therefore, you are requested to remit this application fee to our office.

Sincerely,

Signed by:
