

June 20, 1988

Docket No. 50-293

Mr. Ralph G. Bird
Senior Vice President - Nuclear
Boston Edison Company
Pilgrim Nuclear Power Station
RFD#1, Rocky Hill Road
Plymouth, Massachusetts 02360

Dear Mr. Bird:

SUBJECT: PILGRIM NUCLEAR POWER STATION RESTART PLAN

Reference: Tac Number 65870

By letter dated July 30, 1987 and supplemented on October 27, 1987 and December 30, 1987 you submitted the Pilgrim Nuclear Power Station Restart Plan for our review. The staff has completed its review of your submittals including the April 14 and May 16, 1988 responses to our March 18, 1988 request for additional information.

We indicated in our May 6, 1988 letter that the NRC staff has concluded that the Plan provides a suitable framework for responding to our request for a self evaluation of restart readiness as described in the update of Confirmatory Action Letter (CAL) 86-10 dated August 27, 1986. As stated in the May 6, 1988 letter the effectiveness of implementing the Plan will be verified at a later date.

This completes our action related to the above referenced TAC number.

Sincerely,

Original Signed by

Daniel G. McDonald, Senior Project Manager
Project Directorate I-3
Division of Reactor Projects
