

AFFIRMATION VOTERESPONSE SHEET

TO: John C. Hoyle, Secretary

FROM: COMMISSIONER DIAZ

SUBJECT: SECY-98-237 - FINAL RULE, PART 2, SUBPART J,
"PROCEDURES APPLICABLE TO PROCEEDINGS FOR THE
ISSUANCE OF LICENSES FOR THE RECEIPT OF HIGH-
LEVEL RADIOACTIVE WASTE AT A GEOLOGIC
REPOSITORY"

Approved xx ^{w/comments} Disapproved _____ Abstain _____

Not Participating _____

COMMENTS:

I approve the final rule subject to the following:

- I agree with Chairman Jackson's recommendations regarding the definition in Subpart 4.
- I approve maintaining the LSN Advisory Review Panel (LSNARP) as long as the report to the Commission from the Senior Management Team includes the public comments received at LSNARP meetings.
- Regarding the funding issue, I support the first approach, i.e., having participants approach those Affected Units of Local Governments for funds. (I believe that potential parties would be more successful approaching local units which are closer to them and thus, more understanding of, and supportive to, their needs than coming to the Federal Government.)
