BRANCH

I WOULD LIKE TO ADDRESS THE ISSUE CONCERNING A LOW POWER LISENSE FOR SEABROOK STATION.

I FEEL THAT IT IS IMPERATIVE THAT THIS PLANT RECEIVE ITS OPERATING LISENSE AS SOON AS POSSIBLE. IT IS IN MY OPINION THAT WE, THE UNITED STATES, CAN NOT AND SHOULD NOT LET OURSELVES EVER BE DEPENDENT ON FOREIGN GENERATED TYPE FUELS OR POWER. HYDRO POWER FROM QUEBEC CANADA OR OIL FROM THE PERSIAN GULF ECT... WITH INCIDENTS SUCH AS WHAT HAPPENED TO THE USS STARK IN THE PERSIAN GULF TO THE SEPARATIST MOVEMENT IN QUEBEC, HOW CAN WE GUARANTEE POWER OR PRICE?

I LIVE APPROXIMATELY 20 MILES FROM SEABROOK STATION AND HAVE LIVED IN THE SEACOAST AREA MOST OF MY LIFE. THE GROWTH I HAVE SEEN HAS BEEN PHENOMENAL! IT IS EASY FOR ME TO SEE THAT WE NEED THE POWER AVAILABLE TO ENSURE CONTINUED GROWTH.

SEABROOK IS HERE AND READY TO GO. LETS START GENERATING POWER NOW!

ENOUGH TIME AND MONEY HAVE BEEN SPENT ALREADY. I FIND IT HARD TO BELIEVE THAT OUR GOVERNMENT HAS NOT STEPPED IN AND PUT AN END TO THIS POLITICAL FOOTBALL GAME.

SINCERELY,

Sharon Riley Ham
