Beaver Valley Power Station Emergency Preparedness Plan (Volume 1)

In accordance with 10 CFR Part 50.4, Duquesne Light Company is forwarding a recent revision of the Beaver Valley Power Station Emergency Preparedness Plan (Volume 1) to the appropriate Nuclear Regulatory Commission (NRC) parties. Per the NRC's request, two copies are enclosed. The changes do not decrease the effectiveness of the plan and the plan, as changed, continues to meet the requirements of Appendix E of 10 CFR Part 50. 10 CFR Part 50.54(q) requires that these changes be submitted for information only.

If you have any questions on this submittal, please contact Mr. J. Arias, Director, Safety & Licensing Department, (412) 393-5203.

Sincerely,

Sushil C. Jain
