Correction to Letter NYN-98126
Inservice Inspection Program Relief Request IR-8 Revision 1

In a letter dated October 30, 1998 (NYN-98126), North Atlantic Energy Service Corporation (North Atlantic) submitted Inservice Inspection Program Relief Request IR-8 Revision 1 for NRC staff review. A subsequent North Atlantic review of this letter identified an administrative error in Enclosure 2 on the last line of the "Description of Commitment" section referring to the 1989 Edition of the Code. This line should have referred to the 1983 Edition of the Code. This error was typographical in nature and did not affect the content of Relief Request IR-8.

Should you require further information regarding this matter, please contact Mr. Terry L. Harpster, Director of Licensing Services at (603) 773-7765.

Very truly yours,

NORTH ATLANTIC ENERGY SERVICE CORP.
