REQUEST TO REVISE TECHNICAL SPECIFICATIONS:
TRANSMITTAL OF FILING FEE

Gentlemen:

By letter dated June 20, 1988, Georgia Power Company submitted to the NRC a proposed Technical Specification change to delete references to automatic isolation of the main control room environmental control system (MCRECS) and the main control room (MCR) chlorine detectors.

The application fee was inadvertently omitted from the June 20 submittal and is therefore being submitted at this time.

Please accept our apologies for any inconvenience this may have caused.

Sincerely,

W. G. Hairston, III
Senior Vice President
Nuclear Operations

KMW/ac

Enclosure: Filing fee - \$150.00
