DOCKETED  
UNITED

'88 JUN 23 P8:

OFFICE OF THE SECRETARY  
DOCKETING & SERVICE  
BRANCH

Secretary of the Commission  
Attn: Docketing & Service Branch  
U.S. Nuclear Regulatory Commission  
Washington D.C. 20555

Gentlemen:

I hope you can see your way clear to proceed  
with low-power testing of Seafrost in the  
near future.

New England needs this electricity.

Sincerely  
*Peter J. Hartman*
