Corrected Submittal for Document Control Desk

Per discussion with Janice Stevens, attached is a dated copy of Illinois Power Company letter #U-601213 transmitting LER 88-016-00. Previously, it was inadvertently sent to the Document Control Desk without a date on the cover letter or the LER form. Please assure that the attached dated copy is placed on the docket. You may contact me at 217-935-8881 extension 3405 if you have any questions. Thank you for your cooperation.
