Re: Application of Bayer Healthcare LLC for Withholding Confidential Commercial Information in Enclosed Presentation from Public Disclosure

On behalf of Bayer Healthcare LLC ("Bayer"), I am submitting this Application for Withholding pursuant to 10 C.F.R. § 2.390(a)(4). An affidavit from Bayer, attached hereto as Enclosure (1), sets forth the basis on which the identified confidential commercial information may be withheld from public disclosure. The confidential commercial information for which withholding is being requested is identified but not redacted in Enclosure (2). The redacted version of the presentation can be found in Enclosure (3).

Correspondence with respect to this Application for Withholding or the accompanying affidavit may be addressed to me at ashley@mercurieconsulting.com.

Sincerely,

A handwritten signature in black ink that reads "Ashley M. Cockerham". The signature is written in a cursive style with a large, looped initial 'A'.

Ashley M. Cockerham

Cc: Shaemus Gleason
