**Re: Notice of Effective Date of Restructuring: Evanston Hospital Corporation d/b/a
Evanston Regional Hospital (Materials License Number: 49-27532-01)**

Dear Ms. Alldredge:

I write on behalf of Evanston Hospital Corporation d/b/a Evanston Regional Hospital (the “**Hospital**”), which holds the above-referenced radioactive materials license (License Number 49-27532-01, or the “**License**”) issued by the U.S. Nuclear Regulatory Commission (the “**NRC**”). On April 7, 2020, we submitted materials in connection with an anticipated financial restructuring (the “**Restructuring**”) involving Quorum Health Corporation (“**Quorum Health**”), which directly owns the Hospital. On May 21, 2020, the NRC provided the Hospital with Amendment No. 12 to the License, consenting to the Restructuring.

The purpose of this letter is to provide confirmation to the NRC that the Restructuring occurred effective as of **July 7, 2020**. As a result of the Restructuring, Quincy Health, LLC is now the owner of Quorum Health. Additional information concerning the Restructuring, including a copy of the press release issued by Quorum Health, is available at <https://quorumforward.com>.

As described in our prior submission, the Restructuring provides Quorum Health with a stronger financial foundation, allowing it to build on the significant progress it has made strengthening operations in recent years and positioning the company and its affiliated hospitals to continue serving patients, particularly during the COVID-19 crisis. The Hospital continues to provide health care services at the same location, under the same legal entity name and federal tax identification number. The Restructuring did not result in a change of ownership for Medicare purposes. Furthermore, the Restructuring did not change or alter any of the Hospital’s policies and procedures, equipment, personnel, services, or operations.

Thank you for your attention to this matter. Please do not hesitate to contact me at (615) 252-3837 or shoffmann@bradley.com if you have any questions or if we can provide any additional information.

Sincerely,

BRADLEY ARANT BOULT CUMMINGS LLP
