Mr. Myron Fliegel
Nuclear Regulatory Commission
7915 Eastern Avenue
Silver Springs, MD 20910

Dear Mr. Fliegel:

Enclosed for your review and comment are four (4) copies of the draft Remedial Action Plan (RAP) for the Spook, Wyoming site. Please note that this document is considered part of the deliberative process by DOE, and is not for release to the general public at this time.

In order for compilation of the final document to occur in a timely fashion, your comments on the draft RAP should be transmitted to this office by October 2, 1987.

Approximately two weeks after the receipt of comments from reviewing parties, a formal review meeting will be held. The purpose of the review is to check the draft document for validity, accuracy, and completeness. The review meeting for the Spook draft RAP is tentatively scheduled for October 14, 1987, 9:00 am, Nuclear Regulatory Commission, Silver Springs, MD. If this time is convenient for you, please notify this office as soon as possible.

Should you have any questions regarding this matter, please contact Milt Scoutaris of my staff at (505) 846-1200.

Sincerely,

John L. Anderson
James R. Anderson
Project Manager
Uranium Mill Tailings Project Office
