Attention: Mr. Edward G. Littel
Assistant to the President

Gentlemen:

You are hereby authorized pursuant to Section 20.302, Part 20, Title 10, Code of Federal Regulations, to dispose of waste in the form of tailings from your Salt Lake City, Utah, mill in accordance with the procedures described in your letter of August 7, 1959, as supplemented August 13, 1959.

Inasmuch as the waste in the form of tailings containing 0.009% uranium and trace quantities of thorium does not constitute source material, no license to receive this material need be obtained by either the Tolboe and Harlin Construction Company or the Salt Lake Suburban Sewer District,
