Docket: 50-285

Omaha Public Power District
ATTN: R. L. Andrews, Division Manager-
Nuclear Production
1623 Harney Street
Omaha, Nebraska 68102

Gentlemen:

We have completed our review of the Radiological Emergency Response Plan changes which you submitted to this office by letters dated March 17 and April 2, 1986.

The changes reviewed do not appear to decrease the effectiveness of the Fort Calhoun Station emergency preparedness and response and, therefore, comply with the requirements of 10 CFR 50.54(q).

Sincerely,

~~Original Signed by:~~

J. E. Gagliardo, Chief
Reactor Projects Branch
