MEMORANDUM FOR: George Lear, Chief
Environmental Specialists Branch, ESB
L. G. Hulman, Chief
Hydrology-Meteorology Branch, DSE
FROM: Donald E. Sells, Acting Chief
Environmental Projects Branch 2, DSE
SUBJECT: WPPSS-2 PROPOSED SEWAGE TREATMENT FACILITY

Attached is an environmental assessment prepared by Washington Public Power Supply System on their proposed sewage treatment facility at the Hanford site. Please have your staff review this report and send any comments to Suzanne Koblusek, Environmental Project Manager for WPPSS-2.

Donald E. Sells, Acting Chief
Environmental Projects Branch 2
Division of Site Safety and
Environmental Analysis
