Attention: Mr. James A. Larson
Vice President & Secretary

Gentlemen:

This refers to your application dated March 14, 1963, for renewal of AEC Source Material License No. SUA-565.

Please note that in our letter of November 27, 1962, we advised you that your application for license renewal was received in proper form and pursuant to Section 40.43(b), 10 CFR 40, copy enclosed, your license would not expire until the application had been finally determined by the Commission. Accordingly, any operations at your Spock mill after March 31, 1963, are authorized by your present license until such time as your application for renewal has been finally determined.

We will contact you in the near future if additional information is required in support of your application for license renewal.
