Gentlemen:

This is in response to your letter of April 7, 1971, regarding the Notice to AEC Licensees Concerning License Fees, dated March 9, 1971.

The subject notice provided an opportunity for licensees to file applications to cancel or reduce the scope of their licenses on or before April 7, 1971, and have the fee waived upon cancellation of the license or assessed in the amount applicable to the license as amended. Reduction of the fee was contemplated only where the Commission acted favorably to reduce the scope of the license.

We note the prescribed fee has been received by the Central Accounts Branch.

Sincerely,

Original Signed by
