DOCKET NUMBER
PROPOSED RULE PR 50
(53 FR 16435)

OFFICE
DOCKET
BRANCH

14 Patten Rd
Salem, N.H. 03079

After speaking with Service Branch
I would like to
know a few words regarding
the new rule proposed by
the NRC as to the low-power
rating for Subrock.

Our power supply in
New England is in dire need.
If Subrock is allowed to
test on low-power, I am
sure it will prove to be
safe and we will be on
our way to realizing the energy
supply we have waited for
so long.
