OFFICE OF THE SECRETARY
DOCKETING SERVICE
BRANCH

6/3/88

SECT. OF THE COMMISSION
U.S. NRC
WASH DC 20555

DEAR SIR:

I FULLY SUPPORT YOUR RULE
CLARIFICATION NOT REQUIRING SIRENS TO
BE IN PLACE FOR LOW POWER TESTING

AMERICA DESPERATELY NEEDS THE
ENERGY FROM SUCH AS SEABROOK
AND SCHORHANS, L.I. IF WE ARE TO
PROSPER ECONOMICALLY LOW COST
ENERGY IS A PRE-CONDITION. IF WE
ARE VULNERABLE TO FOREIGN ENERGY
SUPPLIES OUR NATIONAL SECURITY IS
NOT SECURE.

SINCERELY,

Robert W. Watter

(CANDIDATE U.S. CONGRESS)
