Now hear this:

I am fed up with a handful of pogey-bait sucking candy back wimps dictating the policy of the country.

PUT SEABROOK ON LINE!

And if "Dukie" doesn't like it, let him go over to N.Y. and plant pansies with Cuomo.

If these guys had been in Washington in '45, instead of Harry, I'd be a chunk of coral in Tokyo bay, and you'd be talking Jap.
