Mr. Peter A. Bradford, President
New York Public Service Commission
Empire State Plaza
Albany, New York 12223

Dear Mr. Bradford:

I have received your letter of invitation to address the Ninety-ninth Annual Convention and Regulatory Symposium of the National Association of Regulatory Utility Commissioners in New Orleans, Louisiana, on November 16, 1987. On that same day, however, I have a long-standing commitment to address the opening session of the winter meeting of the American Nuclear Society in Los Angeles, California, and, therefore, will be unable to accept your kind invitation.

I have asked Harold Denton to represent me at this meeting. If you wish, Harold would be pleased to serve as a panel member and address the Association in my stead. Harold is very knowledgeable in those areas to be discussed by the panel (i.e., licensing reform, cost overruns, decommissioning, etc.) and, I believe, would make a meaningful and valuable contribution to your meeting. Harold may be reached by telephone at 202/634-3196.

Best wishes for a successful meeting in New Orleans.

With kindest regards,

Sincerely,

Lando W. Zech
