Mr. J. C. Delaney
Chief, Materials Section
Licensing Branch
Division of Civilian Application
U. S. Atomic Energy Commission
Washington 25, D.C.

Dear Mr. Delaney:

Pursuant to the Atomic Energy Commission Act of 1954 and Section 40.21 of the Code of Federal Regulation, Title 10 - Atomic Energy, Chapter 1, Part 40 - Control of Source Material, request is hereby made to renew Source Material License No. R-157 for a period of one year to expire on February 28, 1962.

Request is hereby made for renewal of License No. R-157 to authorize the following:

- (1) To receive possession of and title to raw and refined source material without limitation as to quantity, for resale and for processing with raw source material from our own mining operations.
- (2) To transfer and deliver possession of and title to raw and refined source material to any person licensed by the Atomic Energy Commission, within the limits of his license.

Yours very truly,

KERR-McGEE OIL INDUSTRIES, INC.
