Dear Mr. Hawkins:

Enclosed for your review and concurrence are two copies of Revision 1 to the Tuba City, Arizona, Remedial Action Inspection Plan (RAIP). We believe that the RAIP adequately addresses inspection activities and is consistent with the Remedial Action Plan (RAP) design specifications, UMTRA Project quality requirements, and the applicable requirements for the Nuclear Regulatory Commission (NRC) staff technical position on testing and inspection plans. In accordance with the Memorandum of Understanding you are requested to provide your review and concurrence of the revised Tuba City RAIP within 21 days of the receipt of this letter.

Should you have any further questions contact Milt Scoutaris at (505) 846-1200.

Sincerely,

W. John Arthur, III
Project Manager
